Docket No. 98N-1265

Food and Drug Administration 98 APR -9 AM 11:31

5600 Fishers Lane

Rockville, MD. 20857

I OPPOSE THE DRAFT M.O.U. being proposed by the FDA. In particular, I OBJECT to the definition of "inordinate amount" which restricts the availability and the right to obtain medically necessary compounded medications by limiting the number of prescriptions that can be shipped across state lines from specialized compounding pharmacies.

COMMENTS: The natural hormone replacement therapy I have received from Madison Pharmacies has greatly relieved my menopausal symptoms and I would hate to think what I would have to go through to locate a source within my state for these natural compounds.
